

Tee Shirt and Jeans for Feel Better Friends

This pattern is designed to fit the Feel Better Friends crochet doll. My doll was made with Vanna's Choice worsted yarn and a size E hook. My finished doll is 12 ½ inches tall. Her clothing was made with dk/sportweight yarn and a size D hook. The T-shirt is a loose fit to easily fit over her jeans.

With 19 rounds, the sleeves fall just above the wrist. Work two more rounds for sleeves at the wrist. For short sleeves, work the sleeves to the desired length.

Using the long tail at the neck edge, ch5, sl st in the next row for a ch5 buttonhole loop. Sew a button opposite the loop.

For the flower appliqué on the Tshirt, iron a piece of fusible interfacing to the wrong side of the fabric you want to use. Make a pattern, in this case a flower, and draw it on the interfacing and cut out. Using glue, paint the interfaced side of the appliqué with glue, then place it on the Tshirt. Put a piece of plastic or saran wrap under the crocheting so the glue doesn't seep through to the other side. Let it dry, then sew a button to the center, if desired.
