Sew two stitches at each shoulder for the shoulder seams. With the crochet hook work two buttonhole loops on one back of the dress.

If you want to embroider the hem of the dress, do this before sewing up the center back seam. French knots for flowers, single lazy daisies for leaves, or a featherstitch are a nice embroidered touch.

Stitch up the center back seam and sew two buttons opposite the button hole loops.

Easy easy knit undies:

Cast on 22 sts

1-2: K22

3: P22

4-8: Repeat rows 2 and 3

9: K22, bind off knitwise leaving a tail to sew up the center back seam and make the crotch.

Right sides together, sew the center back seam from the waist to the leg edge. Center the center back seam with the center front of the undies and take two to three stitches to create the crotch and the leg openings. Turn the the right side and you're done!
