Off-the-shoulder Sweater Dress

Materials:

- Fingering weight yarn. Model uses Knit Picks Palette in Hollyberry
- Size 1 (2.50mm) dpns
- Size 1 steel crochet hook (for shoulder straps)

Gauge: 9 sts = 1 inch in stockinette

This dress has long sleeves off the shoulder, with crocheted straps over the shoulder. The dress is worked as a tube, as are the sleeves. The sleeves are then sewn to the side of the dress tube with four stitches, then the straps are crocheted.

Sleeves; make separately then sew to the body of the sweater dress.

CO 12, work onto three dpn's with K2,P2 ribbing, four stitches per needle
1-11: K2, P2 around. Bind off knitwise at the end of round 11

Sweater body;

CO 24, work onto three dpns with K2, P2 ribbing, eight stitches per needle
1-6: K2, P2 around
7-18: K24
19-24: K2, P2 around, bind off knitwise at the end of round 24.

Sew the sleeves to the side of the sweater with four stitches only. Place the sleeves so that there are eight stitches between each sleeve at the front and at the back (like this: eight stitches, sleeve one sewn to four stitches; skip eight stitches, sleeve two sewn to four stitches).

With size 1 crochet hook, join yarn at the middle back of the sweater, (sl st, ch1) in the next 4 stitches,

chain 8, skip the next 4 stitches (where the first sleeve is), join in the next st, (sl st, ch1) in the next 8 stitches, chain 8, skip the next 4 stitches (where the second sleeve is), join in the next st and (sl st, ch1) in the remaining 4 stitches. Join to the first sl st and fasten off.

Cat Hat

Materials:

-Fingering weight yarn. Model uses Knit Picks Palette in Hollyberry
-Size 0 (2mm) dpns

Gauge: 10 sts = 1 inch in stockinette stitch

The hat begins at the brim and is worked on dpns without decreasing. For the final round, distribute the work evenly over two needles and bind off the edges together.

CO48, work stitches onto three dpns with 16 sts per needle.

1: K48

2: P48

3-26: K48

Finishing: K16 stitches; distribute the stitches on to two needles, with 24 stitches on each needle. Place the two needles parallel to each other, with the working yarn to your right and on the back needle.

Using a third needle knit the opening closed by knitting off the two working needles as one. At the end of this row you will have 24 stitches on one needle. Bind off purlwise.

My cap rolled at the brim, which was unintentional, but I liked the look so I left it this way. If you don't want the brim to roll, block the brim. For cat ears, stitch diagonally across the points of the cap with same-colored yarn.

If you want to make a cloche type of cap, for round 26 Kdec in each stitch around for 24 stitches. Cut off the yarn leaving a long tail and thread this into a tapestry needle. Thread the yarn through the working stitches and pull them off the needles, then pull the yarn up tight to close the opening.
