

Feel Better Friends Semi-circular wig cap

This cap fits a doll made from the Feel Better Friends pattern; my doll was made using Vanna's Choice worsted and a size E hook. The wig cap was made with a dk weight yarn and an E hook. You can use any yarn and hook you like, just fit the wig to the dolls head as you go.

Materials:

- yarn for cap and hair...sport or dk weight
- Size E crochet hook

This cap is meant to be used with stranded lengths of yarn for hair. The strands are hooked into the unused loops of the cap. A center part can be made by making a chain the length you want the part to be, then hooking strands in the chains on both sides. This is then sewn down to the cap.

Wig cap: Worked in rounds, alternating back loops only (BLO) and front loops only (FLO) to leave unused loops on the right side of the cap all the way around.

- 1: Ch2, 5sc in the second ch from the hook, ch1, turn 5sc
- 2: BLO, two sc in each sc around, ch1, turn. 10 sc
- 3: FLO, (sc in the first st, two sc in the next st) around, ch1, turn. 15Sc
- 4: BLO, (sc in the first two sts, two sc in the next st) around, ch1,turn. 20 sc
- 5: FLO, (sc in the first three sts, two sc in the next st) around, skipping the last increase, ch1, turn. 24Sc
- 6: BLO (sc in the first four sts, two sc in the next st) around, skipping the last increase, ch1, turn. 28 sc
- 7: FLO, sc in each sc around, ch1, turn. 28 sc
- 8: BLO, sc in each sc around, ch1, turn. 28 sc
- 9-10: Repeat rows 7 and 8
- 11: FLO, skip the first sc, sc in the next 25sts, skip the next st, sc in the last st, ch1,turn. 26Sc
- 12: BLO, skip the first sc, sc in the next 23sts, skip the next st, sc in the last st, ch1, turn. 24Sc
- 13: FLO, skip the first sc, sc in the next 21 sts, skip the next st, sc in the last st, ch1,turn. 22 sc
- 14: BLO, skip the first sc, sc in the next 19 sts, skip the next st, sc in the last st, ch1, turn so you are working in the rows of the cap along the front edge. 20 sc
- 15: Working in the rows around the front of the cap, sc evenly all around. Finish off leaving a long tail to sew the cap to the head, either before or after adding the strands.

This cap gives a more realistic hairline to your doll, and also nice even rows around the back to hook the hair strands into.
