Simple knit pants for knit Waldorf Style doll  
* Fits a nine to ten inch Waldorf doll *

baw 11/22/2011

Materials:
- DK or sportweight (3) yarn
- Size 4 US needles (3.5mm)
- Size C crochet hook

Gauge: 7 stitches and 8 rows = 1 inch on size 4 needles

Abbreviations:
K = Knit
P = Purl
Gs = Garter Stitch (knit every row)
St st = stockinette stitch (alternate knit and purl rows)

Pants: The pants are worked as one piece; the first leg is knitted up to the crotch, then placed on a double pointed needle. The second leg is knitted up to the same point, then you knit across the second leg and continue knitting off the first leg from the spare needle. The torso of the pants are knitted, then bound off. The leg inseams are sewn up, then the center back seam is sewn up to the top. The pants will fit without the need of button and loops at the back.

First leg: Cast on 25 sts. Leave a tail for sewing up the inseam.
1-4: K25 for four rows of garter stitch. I used a contrasting color for the four rows of Garter stitch.
5: K25 (this is the right side)
6: P25 across
7-22: Repeat rows 5 and 6. End on a P row. Cut thread and place these stitches on a double pointed needle. Leave a long tail for sewing up the center back seam.

Second leg: Repeat for the first leg to row 20
23: K25 across the second leg. Continue knitting across the first leg. Both legs are now on the needles and you have 50 sts.
24: P 50
25: K 50
26-32: Repeat rows 24 and 25
33: (K8, K2tog) across. 45 sts
34: P45
35: (K7, K2tog) across. 40 sts
36: K40
Bind off.
