Lacey Top

This little top used one of the lace patterns from [150 Knitted Trims](#), by Lesley Stanfield, in this case, #54 Umbrella Flounce. The lace is worked lengthwise for four pattern repeats, so you cast on 73 sts onto single point 2.75mm needles. At the end of row 11 you will have 57 stitches and the lace pattern will be complete. Continue below to shape the lace into a pretty top :-)

With the tail at the beginning of the work, sew up the center back seam an inch or so. Weave in the ends and you're done.

Pantaloons: CO 40 sts to one 2mm dpn, leaving a tail to either make a buttonhole loop or sew the waistband closed.

5: K40, knitting the work onto four 2.0mm dpns with 10 sts on each needle. Continue the knitting in the round..

.

Repeat rows 17 through 28 for the second leg, working the unworked sts from round 15.

With the tail at the beginning, either make a chain-3 buttonhole loop with the size C crochet hook, or sew the waistband together. On my doll, I was able to just sew the waistband ends together and it fit fine.

Sew the crotch opening closed, and weave in the loose end.

Cardigan: This sweater is worked from the top down. The sleeve stitches are placed on waste yarn until the body is completed.
