Materials:

- DK weight yarn (110yds/ounce). Model used Universal Bella DK
- Size 4 dpn's (3.5mm)

Gauge: 6 sts = 1 inch

Beginning at the waistband, CO 36 sts and distribute evenly over three dpn's, 12 sts per needle

1-6: [K2, P2] around.

7: K36

8: [K1, Kinc] around. 54 sts, 18 sts per needle

9-22: K54

Divide for first leg:

23: K27, place the remaining 27 sts on a piece of waste yarn to work after the first leg is finished.

Place the 27 working sts on three needles, nine sts per needle. Work in the round on the first leg on these 27 sts.

24-33: K27

34: P27

35: K27

36: P27, bind off knitwise. Work the second leg same as the first.

These can be made any length you like. For a fuller, bloomer look, you can increase in every stitch in round 8, then divide the legs into 36 sts each. To fit tighter at the ankle, reduce the leg stitches to 21 to 24 sts before the garter stitch finishing. You could also work K2,P2 ribbing for the leg finishing as well.
